Increase Rates)

Case No. AP-81-07

By Order No. 2249, served August 7, 1981, the Commission suspended WMATC Tariff No. 17 of Beltway Limousine Service, Inc., which otherwise would have become effective August 8, 1981. */ The suspension was ordered to permit further review of Beltway's financial statements, certain operating-expense allocations and projections of revenue and expenses.

Upon review of supplemental material filed by applicant the staff of the Commission proposed to modify certain tariff charges between various hotels and National Airport to correspond more closely with the mileage traveled and the distribution of revenue passengers, and to align the proposed fares for sightseeing operations with Beltway's tariff structure for operations performed pursuant to temporary approval to operate Part A of Certificate of Public Convenience and Necessity No. 9. As a result applicant proposed a revised tariff in order to produce a just and reasonable return in accordance with the provisions of Title II, Article XII, Section 6 of the Compact. Accordingly, the suspension shall be terminated and the proposed rates, as set forth below, will be allowed to take effect on three-days' notice from the acceptance by the Commission of a revised WMATC Tariff No. 17, containing only the rates specified below.
